

Timber Creek Ballroom named **BEST BALLROOM *for* SPECIAL EVENTS**

By the readers of the Roseville Press Tribune

For Jenny Giallanza, Timber Creek Ballroom's catering director at Sun City Roseville, designing any catering event is backed with the intention of creating "an affair to remember."

Since Timber Creek Ballroom opened in 1995 as part of the Sun City Roseville Community Association, Giallanza has been instrumental in building a reputation in themed events, weddings and bar mitzvahs.

Whether it be the menus, food presentation, invitations, ambiance or centerpieces, Timber Creek Ballroom staff treat each guest as if they were coming in to their homes.

The Timber Creek Ballroom is an ideal resort venue for your once-in-a-lifetime wedding experience, corporate or social events and golf retreats. It is Roseville's largest ballroom and country club and its stunning beauty and rustic elegance make it a premiere venue.

The attention to detail and caring for others extends well beyond the ballroom, as the Timber Creek Ballroom and Sun City Roseville as a whole play a role in bettering the community.

Sun City Roseville provides hundreds of volunteers throughout the community through Sutter Roseville Hospital, Kaiser Medical Center, SPCA and a myriad of other local organizations. The Timber Creek Ballroom hosts many fundraisers that benefit the community such as SPCA, A Touch of Understanding, The Salvation Army, Kids First Adventure Christian School, Me One Foundation and many more.

As for being selected as Best of the Best by Roseville Press turbine readers, Giallanza said "The Timber Creek Ballroom is honored to be recognized for their efforts in creating memorable affairs for their guests."
